Short Description

The Monterey Console Table is just what your outdoor sofa set is missing!

Description

The Monterey Console Table is just what your outdoor sofa set is missing! It is perfect for adding table decorations or setting a pitcher of mojitos out of the way. For those with sophisticated outdoor entertaining areas, setting a flat screen television on its sturdy, aluminum frame and all weather high density PE wicker is no problem. The rest of the Monterey collection is a perfect match, but both of its color options are so versatile, you will have no problem incorporating this into any existing patio sets.

All Weather, Environmentally Friendly Wicker :

Synthetic wicker is made in different levels of quality, but we only offer the best. This wicker is made from high density polyethylene (HDPE), which is specially manufactured for all weather resistance. It resists UV damage, chipping, fading, and deformation due to solar heat. Each strand is solid through and through with

color, which means you never have to worry about cheap paint flaking off. In addition, it is also 100% recyclable and does not degrade into environmentally harmful compounds. HDPE wicker is not only superior in terms of quality, but also in terms of environmental responsibility.
