### Warranty

The Forever Patio warranty covers manufacturing defects, normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

**Aluminum Frame:** Forever Patio extends a 7 year limited residential warranty against defects in workmanship and materials that cause structural failure.

**HDPE Resin Wicker:** Straps and/or wicker weave are warranted for a period of three (3) years against separation, cracking or tearing. Fading or discoloration of the straps and/or wicker weave resulting from exposure to sunlight or other natural elements, oils, spills, fluids, or chemicals is not covered under this limited warranty.

**Cushions:** Sunbrella fabric cushions carry a 5 year fade warranty, the cushion seams are warranted for a period of 6 months.

The Forever Patio warranty does not apply to products used in a commercial setting.

### Care and Maintenance

**Frame:** HDPE wicker is easy to care for! Simply hose off, or use a solution of mild dish soap (just a drop or two) and water with a soft cloth. Do not use harsh chemicals to clean HDPE wicker.

**Cushions & Outdoor Fabric:** Cleaning your cushions on a regular basis will help prevent build-up of dirt, which can generate mildew. Dirt and dust can be brushed off, and stains can be spot cleaned with mild soap and water, rinse, and allow the fabric to air dry. Cushion covers zip off and can be machine washed and air dried, do not put in the dryer. For tougher stains, visit the fabric manufacturer's website for additional recommendations. Tip: If your cushions are left out during a rainstorm, unzip and place the cushion on its side, zipper side down. This will allow the water to drain out quickly.

**Covers & Storage:** When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage, and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing upside down, which can trap moisture. Damage caused by the elements, normal wear and tear or improper care is not covered by Forever Patio's warranty.
