Features

- Thick-gauged, powder-coated aluminum frame that offers long lasting durability and rust resistance.
- Arms are made with PolyTuf, a premium recycled plastic lumber with a weathered grey tone.
- PolyTuf won't splinter, crack or warp and has a greater impact resistance than does wood.
- Easy to clean! Simply hose off or wipe the furniture frames with a soft cloth and water. Please do not use chemicals to clean this outdoor furniture.
- Sunbrella® cushion covers provide unmatched fade, moisture and mildew resistance, and can be easily unzipped for cleaning.
- Plush, overstuffed cushions are made from quick-drying polyurethane foam wrapped in moisture and mildew-eliminating Dacron fibers.
- Generously sized seating frames for maximum comfort.
- Assembly required.

Warranty

The Forever Patio warranty covers manufacturing defects, normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty by many years.

Aluminum Frame: Aluminum frames are warranted to be free from defects in materials and workmanship for a period of seven (7) years. Damage to frames or welds due to improper assembly, improper use, or exposure to water and subfreezing temperatures is not covered under this limited warranty. (Therefore, you should not allow water to accumulate inside frames).

Cushions: Sunbrella fabric cushions carry a 5 year fade warranty, the cushion seams are warranted for a period of 6 months.

The Forever Patio warranty does not apply to products used in a commercial setting.

Care and Maintenance

Frame: Aluminum is easy to care for! Simply hose off, or use a solution of mild dish soap (just a drop or two) and water with a soft cloth. Do not use harsh chemicals to clean aluminum frame patio furniture.

Cushions & Outdoor Fabric: Cleaning your cushions on a regular basis will help prevent build-up of dirt, which can generate mildew. Dirt and dust can be brushed off, and stains can be spot cleaned with mild soap and water, rinse, and allow the fabric to air dry. Cushion covers zip off and can be machine washed and air dried, do not put in the dryer. For tougher stains, visit the fabric manufacturers website for additional recommendations. Tip: If your cushions are left out during a rainstorm, unzip and place the cushion on its side, zipper side down. This will allow the water to drain out quicker.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage, and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing upside down, which can trap moisture. Damage caused by the elements, normal wear and tear or improper care is not covered by Forever Patio's warranty.
