Short Description

Ocean Master M1 Pagoda Center Post 8.5' Hexagon Umbrella OMP8.5HEX by Tuuci

Description

Old-world design and state-of-the-art components coexist in the Ocean Master M1 Pagoda Center Post 10.5' Hexagon Umbrella (OMP10.5HEX) by Tuuci. The patent-pending, gas-piston, self-tensioning system, ensures the canopy's skin-tight fit over its revolutionary struts.

Dimensions

- Pole Diameter: 1.5"
- Mast Height (open): 113"
- Mast Height (closed): 116"
- Canopy Clearance: 78"
- Table Clearance: 36"

Features

- Marine grade features include a patented independent bracket hub system, marine grade aluminum components and reinforced strut joint connectors.
- Tuuci's Ocean Master M1 Collection features a polished aluminum hub system that is durable and elegant, adding a wow factor to any patio environment.
- Unique Pagoda style umbrella canopy profile for an upscale, designer look.
- Open and close the umbrella with the Auto-Loc marine pulley lift system.
- The umbrella canopy has reinforced pocket construction, utilizing ballistic fabric to make them significantly more resistant to tearing or damage.
- Because of the unique style of the Pagoda umbrella canopy, this umbrella does not have a wind vent.
- The umbrella frame comes with a Polished Titanium finish, or upgrade to one of Tuuci's popular powder coat or Plantation Aluma-Teak finishes.
- Please note, images shown may be of a different size umbrella that is part of the same Tuuci collection.

Optional Features

- Customized Canopy: The umbrella canopy can be customized by adding an accent border, fringe or a contrasting edge binding. Give our sales team a call if you'd like to discuss the custom canopy options.
- Protective Cover: A custom protective cover (CX) can be added to your order which will help protect your umbrella when it's not in use.
- Finishes: This umbrella includes a Polished Titanium frame, or upgrade to one of Tuuci's Plantation Aluma-Teak or Powder Coat paint finishes.

Recommended Umbrella Base

Tuuci offers a number of different types of umbrella bases to stabilize your new umbrella. Please reach out to our sales team to help find the base that is right for your umbrella size and type of use.

Warranty

Tuuci® constructs its shade structures with the finest marine grade materials available. We test our products in extreme weather environments to ensure stability, durability and years of worry-free service. In addition, Tuuci personnel carefully follow specific quality control procedures and inspect each product to ensure freedom from manufacturing defects. Our goal is to produce shade platforms that will exceed your expectations and provide a shade experience like no other in the world.

- 15 Years: Entire frame structure, including mast, hubs, struts, brackets and hardware.
- 5 Years: Frame finishes, including powder coat and Tuuci's exclusive Plantation Aluma-TEAK
- 5 Years: Manual lift systems and related components, including gear boxes and worm drives.

Fabric: Please refer to the warranty granted by the manufacturer of the specific fabric you specified. In general, the manufacturer warranties replace fabric only if and when the fabric loses its color or strength from UV degradation and if mildew occurs, within the warranty period. Users must properly maintain fabrics for the warranty to be effective. Note: proper maintenance includes cleaning of fabric regularly. These warranties do not cover damage from contact with foreign objects, wind-driven abrasions, misuse or abuse (rips, burns, tears and holes).

With intensive usage of the products in a hostile environment (seaside and indoor pool use), we advise that

you regularly rinse the fabric of the parasol using fresh water in order to prevent the build-up of salt and chloride residues.

If any Tuuci high performance textile fabric is rendered unserviceable by loss of color or strength caused by UV degradation, mildew, rot or atmospheric chemicals, Tuuci will work with the manufacturer to assist you with your warranty claim. Labor charges will apply to the cutting and sewing of any fabric replaced under warranty.

About the Manufacturer

For over 20 years TUUCI has been creating the most innovative, unique and stylish shade platforms in the industry. Founded with a passion by Dougan Clarke, TUUCI was born from the marine industry. This means every single parasol, lounge and cabana we create has been meticulously engineered to perform without question, in any environment. Beyond simply performing, they also turn heads as TUUCI products are built with an unparalleled sense of style and design not seen anywhere else in the world.

Recognized around the world for unparalleled function, Tuuci stands alone in a category defined only by their latest advancements in shade engineering. They draw upon decades of field data derived from real usage and exhaustive wind testing to ensure their products perform as intended.
