Short Description

Bay Master M1 Swim Under Cantilever 8' Square Umbrella BMSWIMCL8.0SQ by Tuuci

Description

The Bay Master M1 Swim Under Cantilever 8' Square Umbrella (BMSWIMCL8.0SQ) by Tuuci is inspired by the wind-swept ocean and desert landscapes of the Baja Peninsula. The shorter mast allows for deployment directly over pools or patios with in-ground mounts within the base for added security and the parasol features an auto lift system on the back side of the cantilever allowing for easy opening from poolside.

Dimensions

- Pole Diameter: 3.6"
- Mast Height (open): 60.5"
- Mast Height (closed): 80"
- Canopy Height: 45"

Features

- Unique swim under design provides flexible shade for everyone who enjoys spending time in the pool.
- The umbrella canopy ribs feature marine grade aluminum struts that act as reinforcement, effectively distributing stress and guaranteeing added strength.

- This umbrella has a market style canopy with a single wind vent.
- The Bay Master M1 has a Satin Anodized pole finish, or upgrade to one of Tuuci's powder coat paint finish color options.
- Cam Lock Lever allows for 360 degree rotation.
- Screw pocket canopy construction keeps the umbrella canopy securely attached to the umbrella frame.
- Please note, images shown may be of a different size umbrella that is part of the same Tuuci collection.

Optional Features

- Customized Canopy: The umbrella canopy can be customized by adding an accent border, fringe or a contrasting edge binding. Give our sales team a call if you'd like to discuss the custom canopy options.
- Protective Cover: A custom protective cover (CX) can be added to your order which will help protect your umbrella when it's not in use.
- Finishes: This umbrella includes a Satin Anodized frame, or upgrade to one of Tuuci's Plantation Aluma-Teak or Powder Coat paint finishes.

Recommended Umbrella Base

Tuuci offers a number of different types of umbrella bases to stabilize your new umbrella. Please reach out to our sales team to help find the base that is right for your umbrella size and type of use.

Warranty

Tuuci® constructs its shade structures with the finest marine grade materials available. We test our products in extreme weather environments to ensure stability, durability and years of worry-free service. In addition, Tuuci personnel carefully follow specific quality control procedures and inspect each product to ensure freedom from manufacturing defects. Our goal is to produce shade platforms that will exceed your expectations and provide a shade experience like no other in the world.

- 5 Years: Entire frame structure, including mast, hubs, struts, brackets and hardware.
- 5 Years: Frame finishes, including powder coat and Tuuci's exclusive Plantation Aluma-TEAK
- 5 Years: Manual lift systems and related components, including gear boxes and worm drives.

Fabric: Please refer to the warranty granted by the manufacturer of the specific fabric you specified. In general, the manufacturer warranties replace fabric only if and when the fabric loses its color or strength from UV degradation and if mildew occurs, within the warranty period. Users must properly maintain fabrics for the warranty to be effective. Note: proper maintenance includes cleaning of fabric regularly. These warranties do not cover damage from contact with foreign objects, wind-driven abrasions, misuse or abuse (rips, burns, tears and holes).

With intensive usage of the products in a hostile environment (seaside and indoor pool use), we advise that you regularly rinse the fabric of the parasol using fresh water in order to prevent the build-up of salt and chloride residues.

If any Tuuci high performance textile fabric is rendered unserviceable by loss of color or strength caused by UV degradation, mildew, rot or atmospheric chemicals, Tuuci will work with the manufacturer to assist you with your warranty claim. Labor charges will apply to the cutting and sewing of any fabric replaced under warranty.

About the Manufacturer

For over 20 years TUUCI has been creating the most innovative, unique and stylish shade platforms in the industry. Founded with a passion by Dougan Clarke, TUUCI was born from the marine industry. This means every single parasol, lounge and cabana we create has been meticulously engineered to perform without question, in any environment. Beyond simply performing, they also turn heads as TUUCI products are built with an unparalleled sense of style and design not seen anywhere else in the world.

Recognized around the world for unparalleled function, Tuuci stands alone in a category defined only by their latest advancements in shade engineering. They draw upon decades of field data derived from real usage

and exhaustive wind testing to ensure their products perform as intended.
