Short Description

Spanish Wells Cushioned Sofa PRP-5001-DFT-S by Hospitality Rattan

Description

Create the perfect outdoor living space with the Spanish Wells Sofa (PRP-5001-DFT-S) by Hospitality Rattan. Escape into a European oasis with this collection's subtle curvilinear frames, beautiful textured wicker, and transitional style. Designed specifically for outdoor use, the fully-welded, powder-coated aluminum frames are durable, lightweight, and made for all-weather protection. The wicker is made from High-Density Polyethylene (HDPE) which is resistant to fading or cracking while its textured two-tone finish give it a natural feel. Relax and unwind in supportive and comfortable cushions that are made for lazy days and long conversations. Choose from an abundant list of outdoor performance fabrics whether it's the all-weather standard 100% polyester fabric option or upgrade to top-of-the-line Sunbrella to give your space a unique personal touch. Transform your backyard into a beautiful, outdoor oasis with Hospitality Rattan products that are made to stand the test of time!

- Outdoor cushions have a 1-year warranty against manufacturing defects and loss of foam resiliency, under normal use
- Fabric has a 1 year warranty against wear under normal care and condition

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

HDPE Wicker: To clean HDPE wicker, rinse with cool water, and use a cloth with mild dish soap to wipe down and remove dust and residue. Use cool water to wipe away any soapy residue. Dry with a soft cloth.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the build-up of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
