- Fabric has a 1 year warranty against wear under normal care and condition

Care and Maintenance

Acacia Wood: Wipe down the wood with a soft cloth slightly moistened with warm water soapy water. Drying with a soft dry cloth or air drying is fine. Avoid using harsh cleaners, brushes, or power washers. Avoid placing your acacia wood furniture in direct sunlight. If using outside, keep your furniture under an umbrella or in a shaded area. Periodically apply wax or wood preservative immediately after cleaning.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the build-up of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Founded in 2000, Hospitality Rattan's mission was to bring a tropical feel to the homes of people who sought it. They have been designing and distributing quality rattan, wicker, and bamboo furniture made of the best environmentally friendly materials and practices. Their high-quality outdoor furniture is manufactured of all aluminum frames woven with Viro or Rehau synthetic wicker fiber.

Hospitality Rattan is continually looking to reduce their carbon footprint and limit their impact on the environment through the use of environmentally friendly manufacturing techniques and materials. They encourage everyone to reduce their own carbon footprint due to the impact our daily activities have on the environment.
