## Description

---

Elevate your outdoor living space with the SoHo 5-Seat Deep Seating Sectional Set HLS-SSE by HiTeak. Crafted from ecologically harvested premium teak, the SoHo Collection boasts a contemporary aesthetic with a nod to urban living. The sleek stainless elements are expertly blended with the soft gray of older teak, creating a

timeless piece that will age gracefully and provide years of comfort and style. Assembled with 304-grade stainless steel hardware and time-honored techniques like dowels, mortise, and tenon joinery, the furniture is built to last for generations. Whether you're looking to outfit a commercial space or create a cozy retreat in your own backyard, the luxurious feel and balance of strength and beauty of the SoHo Collection are unparalleled.

#### Features

- Teak is a densely-grained wood with a high oil content known for its quality, durability, and beauty
- Naturally resistant to light, moisture, rot, warping, and pests
- Produced only from sustainably sourced and harvested plantation-grown teak
- Teak displays a rich, golden brown color that may be beautifully maintained over time or allowed to gracefully age into a subtle silver patina
- Teak is kiln dried to eliminate shrinkage and enhance structural integrity
- Crafted with traditional dowel and mortise joinery and hand-sanded to create seamless design
- Stainless steel accent pieces are sleek, durable, and weather resistant
- Available in Sunbrella fabric, which is distinctive, fade resistant and easy to clean
- Assembly required

#### Warranty

HiTeak's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Teak: Teak is warranted for 4 years in a residential setting and for 2 years when used in a contract or commercial setting.
- Cushion: 1-year manufacturer warranty on stitching.
- Outdoor Fabric: Sunbrella has a 5-year fade warranty.

#### Care and Maintenance

Teak: Long-term, teak furniture develops a pleasing silvery gray patina, which is cosmetic and not an indication of dryness. Its natural oils help keep this hardwood strong and durable in a variety of environments, so there's very little maintenance. Because teak is very weather-resistant, it doesn't need to be stored during the winter or covered with protective tarps. However, covering teak furniture will protect the

surface from elements such as hail, wind, and snow, which can cause cosmetic damage. To keep the original golden honey finish, apply a very thin layer of Linseed or Teak oil to your furniture 1-2 times a year, depending on exposure. Cleaning with teak cleaner is recommended every 2-3 years, along with the oil application.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the build-up of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges.
