Short Description

La Costa Dining Arm Chair HLAC2391 by HiTeak

Description

Experience the perfect harmony between modern and rustic design with the La Costa Dining Arm Chair HLAC2391 by HiTeak. Crafted from ecologically harvested premium teak, the La Costa Collection is built to withstand any weather and last for generations. Its luxurious feel and balance of strength and beauty create

an exquisite centerpiece for any outdoor space, from a cozy balcony to a spacious patio or poolside oasis. The natural honey-golden color of the teak will transform over time to a light grey, and finally to a silvery patina, embodying timeless elegance that only improves with age. Enjoy memorable gatherings with family and friends, as the La Costa Collection transforms your outdoor space into a stylish and comfortable oasis.

Includes

- One (1) La Costa Dining Arm Chair HLAC2391

Dimensions

- 21.5"W x 20.75"D x 30"H (17.6 lbs.)
- Seat Height: 18.5"

Features

- Teak is a densely-grained wood with a high oil content known for its quality, durability, and beauty
- Naturally resistant to light, moisture, rot, warping, and pests
- Produced only from sustainably sourced and harvested plantation-grown teak
- Teak displays a rich, golden brown color that may be beautifully maintained over time or allowed to gracefully age into a subtle silver patina
- Teak is kiln dried to eliminate shrinkage and enhance structural integrity
- Crafted with traditional dowel and mortise joinery and hand-sanded to create seamless design
- Assembly required

Warranty

HiTeak's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Teak: Teak is warranted for 4 years in a residential setting and for 2 years when used in a contract or commercial setting.

Care and Maintenance

Teak: Long-term, teak furniture develops a pleasing silvery gray patina, which is cosmetic and not an indication of dryness. Its natural oils help keep this hardwood strong and durable in a variety of environments, so there's very little maintenance. Because teak is very weather-resistant, it doesn't need to be stored during the winter or covered with protective tarps. However, covering teak furniture will protect the surface from elements such as hail, wind, and snow, which can cause cosmetic damage. To keep the original golden honey finish, apply a very thin layer of Linseed or Teak oil to your furniture 1-2 times a year, depending on exposure. Cleaning with teak cleaner is recommended every 2-3 years, along with the oil application.

About the Manufacturer

HiTeak is a reputable furniture manufacturer with over 20 years of experience in the industry, located in Vietnam. They specialize in designing, producing, and exporting top-end furniture made of responsibly harvested plantation teak wood and other high-quality hardwoods for both indoor and outdoor enjoyment. HiTeak is proud to be one of the few manufacturers in the world that has the FSC (Forest Stewardship Council) chain of custody (CoC) certification, ensuring that their FSC-certified materials are tracked from the forest to the consumer, including all successive stages of processing, transformation, manufacturing, and distribution.
