Short Description

Paon 4-Seat Dining Set 12801-SET1 by Houe

Description

Elements of Scandinavian design and a touch of French Victorian romance, the Paon 4-Seat Dining Set (12801-SET1) by Houe provides a unique and unexpected seat to your patio. This piece's artful, curved design is eye-catching, weather-proof and contoured for cushionless comfort. Fully-welded steel frames that are treated with a zinc-rich, powder-coated finish will ensure lasting performance across the seasons. A bamboo seat adds the perfect finishing touch and will blend perfectly with Houe's sustainably harvested bamboo tables. The bamboo is harvested from Houe's sustainable gardens and treated with a special saturation of oil from the factory to keep the wood looking beautiful. The table's radial design and natural wood slats create a clean, modern look, while its sturdy aluminum frame and powder coat finish ensure lasting performance across all seasons, rain or shine. The table's decorative granite stone centerpiece adds an eye-catching finishing touch and serves as a convenient place to set hot plates. Drawing inspiration from a proud heritage of Scandinavian design and craftsmanship, Houe will bring affordable luxury to your outdoor patio space!

- Optional seat cushion comes with 100% solution dyed polyester outdoor fabric
- Stackable, up to 7 seats high, makes storage and transportation easy

Warranty

Houe's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Frame: Houe Outdoor Furniture has a 2 year warranty against structural failure and manufacturing defects
- Fabrics: Sunbrella fabrics have a 5-year fade warranty

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the build-up of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

HOUE is a Danish design house that was founded in 2007. Drawing inspiration from a proud heritage of Scandinavian style, HOUE takes pride in combining distinctive design with superior craftsmanship. Every detail, joint, and component in their furniture is thoroughly chosen or invented by their experienced team to make a unique product. With the philosophy of affordable luxury, HOUE takes pride in choosing the right materials and solutions designed for your outdoor patio needs. HOUE offers both an outdoor and indoor collection, always meeting their highest standards in terms of design, price, and quality.

At HOUE, the right steps are taken in creating responsible furniture, considering both social and environmental impact. Products are manufactured only in well-established factories with furniture development aiming to use recycled material in upcoming collections. In cooperation with some of the leading companies in plastic recycling, HOUE made it possible to allow plastic trash from Danish households

to be a part of their new furniture design. To HOUE, sustainability and responsibility go hand in hand by mixing Danish innovation and thinking into beautiful furniture design.
