Much like their Latitude table collection, the Latitude 36" x 63" Rectangular Lounge Fire Table (893663XLTTT) by Homecrest is a chameleon for different outdoor space styles. Its clean, slated aluminum tops can on one hand play as boardwalk inspired for a more beachside look, or on the other hand play as more rustic cabin-inspired for the feel of a luxury ski resort. Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
