Warranty

Seaside Casual's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Frame: Aluminum frame is warranted for 2 years
- Cushion: Outdoor cushions is warranted for 1 years
- Outdoor Fabrics: Sunbrella fabrics carry a 5 years fade warranty

Care and Maintenance

Aluminum Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the build-up of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Seaside Casual began making furniture at Rhode Island lumberyard in 1996. It started as a hobby with just one Adirondack chair. With the encourage of the local community, Seaside Casual began making and selling more chairs, that single design has now grown into a collection of over 150 products. In 1999, Seaside Casual introduced EnviroWood®, a 100% High Density Polyethylene (HDPE) lumber. Every piece of furniture begins on the design table at their family-owned Rhode Island facility, after which all of the raw materials that they use to create our award-winning Seaside Casual Furniture products are machined, assembled, processed, packaged, and shipped from warehouse in Coventry, R.I. Seaside Casual stand strongly behind "Made in Rhode Island" roots, including our continuing efforts to source our materials from within the U.S.A. whenever

we reasonably can. For over 25 years, Seaside Casual has been a proud US manufacturer, designing, building, and distributing from Rhode Island.
