Short Description

EcoSmart Fire Stix 8 Fire Pit ESF.O.STX8 by EcoSmart Fire

Description

Welcome to the world of captivating and contemporary fire design with the EcoSmart Fire Stix 8 Fire Pit (ESF.O.STX8) by EcoSmart Fire. This exceptional piece combines artistry and functionality, featuring an array of varying-sized tubular stainless steel 'sticks' that form a visually striking and practical fire for both indoor and alfresco settings. Powered by clean-burning, environmentally-friendly bioethanol, this fire pit evokes the alluring ambiance of a traditional campfire, transporting you to a realm of warmth and magnetism. Effortless to set up and easily repositioned, its bright and mesmerizing flame will undoubtedly keep you enchanted, making the EcoSmart Fire Stix 8 Fire Pit a must-have centerpiece for any space yearning for a touch of modern sophistication.

- Fully portable with no need for a utility connection, effortlessly set up and easily repositioned.
- Stix's bright flame will keep you captivated as well as comfortable for over 7 hours.
- Powered by eNRG, a natural, clean-burning renewable energy source with no harmful emissions.
- Assembly Required

Warranty

EcoSmart Fire's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Two year warranty from date of purchase on stainless steel parts, including raw, finished and powder coated.
- One year warranty from date of purchase on mild steel, including powder coated and chrome plated, cement, glass, leather, fabric, teak and MDF (painted or cemented rendered).

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Founded in 2002, MAD Design Group is a dynamic and innovative company that has made a significant mark in the design industry. From inception to execution, they are involved in every aspect of their brands, showcasing a true passion for their products. With an unwavering commitment to excellence, MAD Design Group oversees product development, sourcing materials, manufacturing, packaging, logistics, sales and marketing. Their portfolio includes well-known brands like EcoSmart Fire, Blinde Design, E-NRG Bioethanol and Fluid Technology. Embodying a vision for sustainable and cutting-edge solutions, MAD Design Group continues to be a driving force in redefining the world of contemporary design and environmental responsibility.
