Short Description

Berkley Square Expandable Dining Table 42"x42" Hammered Finish BHFT4262D by Berlin Gardens

Description

The Berkley Square Expandable Dining Table 42"x42" Hammered Finish BHFT4262D by Berlin Gardens offers a versatile and durable outdoor dining experience with its expandable tables. Crafted from PolyTuf™ Lumber, this collection ensures long-lasting, virtually maintenance-free furniture that won't crack, fade, or rot over time, making it ideal for various climates, including harsh sun, snowy winters, and coastal winds. Made from 95% recycled plastic, the High-Density Polyethylene (HDPE) lumber is environmentally friendly and requires no painting or waterproofing thanks to UV protection and color infusion. Amish-made in the USA and BPA-free, this collection exemplifies quality and eco-consciousness. Additionally, chrome-plated stainless steel fasteners and corrosion-resistant aluminum support pieces guarantee both style and durability, making the Berkley Collection a superb choice for outdoor dining and entertaining.

Warranty

Berlin Gardens's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Poly Lumber: Berlin Gardens warrants that its outdoor furniture products will be free of original defects in workmanship and materials for a period of 20 years (residential use) or 5 years (commercial use) from the date of purchase.

Care and Maintenance

Poly Lumber: Use this method for quick clean-ups throughout the season. Add in the bleach solution noted below to easily sanitize and eliminate any stubborn stains or dirt build-up from the winter months. All you need to clean Polywood is mild dish soap, warm water, and a soft cloth! For extra cleaning power or to sanitize, mix 1/3 parts bleach with 2/3 parts water and apply the bleach mixture to the finish with a clean cloth. Allow the bleach solution to sit on the lumber for a few minutes; it will not affect the color of the lumber. Loosen any dirt or debris that may catch in the surface grooves of the lumber by scrubbing the bleach mixture with a soft-bristle brush. Rinse thoroughly, and air dry or wipe dry with a soft cloth.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
