Warranty

Berlin Gardens's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Poly Lumber: Berlin Gardens warrants that its outdoor furniture products will be free of original defects in workmanship and materials for a period of 20 years (residential use) or 5 years (commercial use) from the date of purchase.

Care and Maintenance

Poly Lumber: Use this method for quick clean-ups throughout the season. Add in the bleach solution noted below to easily sanitize and eliminate any stubborn stains or dirt build-up from the winter months. All you need to clean Polywood is mild dish soap, warm water, and a soft cloth! For extra cleaning power or to sanitize, mix 1/3 parts bleach with 2/3 parts water and apply the bleach mixture to the finish with a clean cloth. Allow the bleach solution to sit on the lumber for a few minutes; it will not affect the color of the lumber. Loosen any dirt or debris that may catch in the surface grooves of the lumber by scrubbing the bleach mixture with a soft-bristle brush. Rinse thoroughly, and air dry or wipe dry with a soft cloth.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
