Short Description

Numa 47" Square Fire Table Bar Hammered Finish NHFT3947B by Berlin Gardens

Description

The Numa 47" Square Fire Table Bar Hammered Finish NHFT3947B by Berlin Gardens has exceptional outdoor fire features designed to elevate your outdoor living space. Crafted with PolyTuf™ Lumber, these fire pits are both dense and durable while being virtually maintenance-free, ensuring they won't crack, fade, or rot over time. Built to withstand various climates, including extreme heat, snowy winters, and coastal winds, they are constructed from High-Density Polyethylene (HDPE) lumber manufactured using 95% recycled plastic. With UV protection and color infusion, these fire pits require no painting or waterproofing. Committed to sustainability and quality, the Numa Fire Pits are BPA-free and Amish-made in the USA, boasting chrome-plated stainless steel fasteners and corrosion-resistant aluminum support pieces. They offer a generous burn time of approximately 8 hours per 20 lb. tank and feature a UL-listed stainless steel burner for safety, complete with adjustable flame height, making them the perfect addition for cozy outdoor gatherings and ambiance.

Includes

- One (1) Numa 47" Sq Fire Table Bar Hammered Finish NHFT3947B
- One (1) Numa Fire Pit Cover

- One (1) Glass Windguard
- Two (2) bags of clear tempered fire glass gems come with each Crystal Fire® Burner
- Fuel tanks sold separately

Dimensions

- 47" W x 47" D X 39" H (309 lbs.)

Features

- PolyTuf™ Lumber is dense, durable and virtually maintenance free
- Unlike natural wood, poly lumber won't crack, fade or rot over time
- Built to withstand a range of climates, including hot sun, snowy winters, and strong coastal winds
- High Density Polyethylene (HDPE) lumber manufactured using 95% recycled plastic
- UV protectant and color infused into the lumber; no painting or waterproofing needed
- BPA free and Amish made in the USA
- Chrome-plated stainless steel fasteners and aluminum support pieces are corrosion resistant
- Burn time is approximately 8 hours per 20 lb. tank
- Stainless steel burner is UL listed for safety and offers adjustable flame height
- Assembly Required

Warranty

Berlin Gardens's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Polyethylene Fire Pits with a Polyethylene Top are warranted to be free of original defects in workmanship and materials for a period of 10 years of residential use or 2 years of commercial use. A glass wind guard must be installed at all times to keep flames from touching the material and avoid melting. Lighting or burning a fire pit without the glass wind guard installed may result in melting of the polyethylene material and voids this warranty
- Stainless Steel Burners and all parts/components for burners are provided by The Outdoor GreatRoom Company. The Outdoor GreatRoom Company warrants these components will be free from defects in material and workmanship for a period of 1 year. Stainless Steel parts and assemblies carry a limited lifetime warranty. Slight rusting on burners and components of the burners are not covered by this warranty

Care and Maintenance

Poly Lumber: Use this method for quick clean-ups throughout the season. Add in the bleach solution noted below to easily sanitize and eliminate any stubborn stains or dirt build-up from the winter months. All you need to clean Polywood is mild dish soap, warm water, and a soft cloth! For extra cleaning power or to sanitize, mix 1/3 parts bleach with 2/3 parts water and apply the bleach mixture to the finish with a clean cloth. Allow the bleach solution to sit on the lumber for a few minutes; it will not affect the color of the lumber. Loosen any dirt or debris that may catch in the surface grooves of the lumber by scrubbing the bleach mixture with a soft-bristle brush. Rinse thoroughly, and air dry or wipe dry with a soft cloth.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Here at Berlin Gardens, we pride ourselves on creating outdoor furniture that is solidly built, beautifully designed and amazingly durable. Our team of Amish craftsmen combine old world skills and modern

technology with their commitment to doing the job right to bring you only the most quality patio furniture. We hope our products help you take life outdoors!
