- Powder-coated aluminum frames and marine grade polymer frames are warranted to be free of structural failures or manufacturing defects for 15 years residential / 1 year commercial from the date of purchase.
- Wood furniture, cushions, slings and folding aluminum furniture are warranted to be free of manufacturing defects for 1 year from the date of purchase.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Sling: In order to protect from getting stains and keep its appearance, wipe down with a damp cloth using a soap and water mixture every few weeks. To remove any mold, rinse the furniture with water and gently scrub with a brush.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh

weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
