## Warranty

Homecrest's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Frame: Aluminum Frame has 15 years residential / 5 years commercial warranty against structural failures
- Finish: Finish has 5 years warranty against peeling, flaking or blistering
- Cushions: Cushions have 2 years residential / 1 year commercial warranty against tearing, discoloration and excessive fading
- Fabric: Sunbrella and Outdura each carries a 5 years warranty, please refer to the warranty of Sunbrella and Outdura fabrics as the manufacturer's warranty will apply

## Care and Maintenance

**Frame:** Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

**Cushions & Outdoor Fabric:** Regular cleaning with mild soap and water will help prevent the build-up of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

**Covers & Storage:** When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
