- **Frame:** The Tropitone warranty covers aluminum outdoor patio furniture frames for 15 years in residential setting and 5 years in commercial setting
- **Finish:** The Tropitone warranty covers finish peels, cracks or blisters for 5 years in residential setting. It specifically doesn't cover surface imperfections of aluminum frames and components that may be highlighted by smooth finishes (Aluminum Metallic, Almond, Metallic, Bronze Metallic, Cobalt, Kaffee, Merlot, Parchment, Snow, and Titanium)

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
