Barbados 7-Seat Sofa Set FP-BAR-7SS-EB by Forever Patio

Description

Step into a world where modern elegance meets functional comfort with the Barbados 7-Seat Sofa Set (FP-BAR-7SS-EB) by Forever Patio. Picture yourself unwinding in the embrace of UV-protected wicker, adorned with a chic flat-woven design. Each strand of the wicker is meticulously fashioned from High-Density Polyethylene (HDPE), ensuring not just style but also durability. The rich color of the wicker is not just skin-deep; it's infused with UV inhibitors, standing guard against the usual suspects of sunlight-induced wear and tear—no more worrying about cracking, chipping, or fading. The robust support comes from the thick-gauged, powder-coated aluminum frames, adding an extra layer of durability and corrosion resistance.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

HDPE Wicker: To clean HDPE wicker, rinse with cool water, and use a cloth with mild dish soap to wipe down and remove dust and residue. Use cool water to wipe away any soapy residue. Dry with a soft cloth.

Cushions & Outdoor Fabric: Regular cleaning with mild soap and water will help prevent the build-up of dirt, which can generate mildew. Simply spot-treat stains with mild soap and water, rinse, and allow the fabric to air dry. Cushions will dry much faster when removed from the frames and placed on their sides or edges. For more information, please visit the fabric manufacturer's website.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
