Please contact us with any questions or concerns regarding White Glove delivery and associated fees. Depending on the size and location of your order we may be able to waive these fees.

Warranty

Jensen Outdoor's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your Jensen furniture will outlive the warranty by many years.

- Wood Frame: Wood frames are warranted to not break or crack for five (5) years of residential use or three (3) years of commercial use.
- Hardware: Hardware used in the production or assembly of Jensen Outdoor furniture is warranted to not break for five (5) years of residential use or three (3) years of commercial use

Care and Maintenance

Teak: Long-term, teak furniture develops a pleasing silvery gray patina, which is cosmetic and not an

indication of dryness. Its natural oils help keep this hardwood strong and durable in a variety of environments, so there's very little maintenance. Because teak is very weather-resistant, it doesn't need to be stored during the winter or covered with protective tarps. However, covering teak furniture will protect the surface from elements such as hail, wind, and snow, which can cause cosmetic damage. To keep the original golden honey finish, apply a very thin layer of Linseed or Teak oil to your furniture 1-2 times a year, depending on exposure. Cleaning with teak cleaner is recommended every 2-3 years, along with the oil application.

About the Manufacturer

Jensen's mission is to bring the highest-quality sustainable wood furniture in the world to your patio. Their Virginia based manufacturing team sources, designs, and crafts luxury outdoor furniture using the world's best materials; each piece is purpose-built to expand your homes footprint outdoors. They offer a variety of collections with different design elements, making it easy for you to incorporate with your own distinct patio look.

Jensen Outdoor strives to protect forests through sustainable sourcing techniques, ensuring these high-quality natural materials are available for generations to come. As a Forest Stewardship Council partner, they help responsibly manage 2 million acres of dry-tropical forests in Eastern Bolivia. They rotate which areas of the forest are harvested every season, enabling better forest diversity and health. By purchasing from Jensen, you are directly supporting the longevity of these unique forests.
