- Fire Table Output: 60,000 BTUs
- No Assembly Required

Warranty

Elementi's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Elementi offers a 2-year warranty for residential use

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering

the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

At Elementi, beauty reigns supreme. Our signature line of fire tables epitomizes this ethos, where each piece is a testament to the marriage of form and function. We meticulously select materials that exude natural splendor, ensuring that every element is inherently striking. Through our innovative process, burners are transformed into captivating focal points, enhancing any patio or landscape design with their mesmerizing allure.

But our commitment to excellence doesn't end with aesthetics. Innovation is our lifeblood, and we continuously push the boundaries of design and technique. Led by a team of dedicated engineers, we meticulously craft burner systems that are not only visually stunning but also optimized for performance. From modified burner rings to precise BTU outputs, every detail is carefully calibrated to deliver an unparalleled flame effect that captivates the senses.
