Short Description

Click Stackable Dining Arm Chair 10801 by Houe

Description

The Click Stackable Dining Arm Chair (10801) by Houe is simple, honest, and ergonomically well thought out. The Click Collection by Henrik Pedersen encapsulates Neo-Scandinavian design, influenced by London vibes and Amsterdam humor. This piece's slatted design is eye-catching, weather-proof, and contoured for cushionless comfort. A sturdy Iron & Steel frame and stackable build will make hosting easy for years to come. Its vivid marine-grade lamellas are available in several different color combinations with natural Bamboo highlights adding the perfect finishing touch. The wood is harvested from Houe's sustainable bamboo gardens and treated with a special saturation of oil from the factory to keep the wood looking beautiful. Minimalist, harmonious, and unique, this collection is sure to bring beauty and long-lasting comfort to any outdoor setting.

Includes

Warranty

Houe's warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years

- Frame: Houe Outdoor Furniture has a 2 year warranty against structural failure and manufacturing defects

Care & Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Laminate: Lamellas are made from a plastic material and do not require any maintenance. To clean, simply

combine mild dish soap with warm water and wipe down with a soft cloth. Rinse thoroughly, and allow to air dry. Avoid using any harsh detergents or solvents when cleaning the product. Lamellas can be CLICKed on and off- making it possible to modify or replace!

Bamboo: Bamboo is a strong, natural material, but will become porous if left to dry out. Bamboo displays a golden brown color that may be beautifully maintained over time or allowed to gracefully age into a subtle silver patina. To keep the original golden finish, treat your product with a thin layer of oil suitable for outdoor furniture 3-4 times a year. To prevent the bamboo from deteriorating, please do not use a cover for the table. It is important to allow your bamboo product breath.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

HOUE is a Danish design house that was founded in 2007. Drawing inspiration from a proud heritage of Scandinavian style, HOUE takes pride in combining distinctive design with superior craftsmanship. Every detail, joint, and component in their furniture is thoroughly chosen or invented by their experienced team to make a unique product. With the philosophy of affordable luxury, HOUE takes pride in choosing the right materials and solutions designed for your outdoor patio needs. HOUE offers both an outdoor and indoor collection, always meeting their highest standards in terms of design, price, and quality.

At HOUE, the right steps are taken in creating responsible furniture, considering both social and environmental impact. Products are manufactured only in well-established factories with furniture development aiming to use recycled material in upcoming collections. In cooperation with some of the leading companies in plastic recycling, HOUE made it possible to allow plastic trash from Danish households to be a part of their new furniture design. To HOUE, sustainability and responsibility go hand in hand by mixing Danish innovation and thinking into beautiful furniture design.
