Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Sling: In order to protect from getting stains and keep its appearance, wipe down with a damp cloth using a soap and water mixture every few weeks. To remove any mold, rinse the furniture with water and gently scrub with a brush.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Telescope Casual has produced quality outdoor patio furniture since its founding in 1903. Though the company is best known for its sling furniture, it also manufactures wicker, aluminum, cast aluminum, and resin furniture. Telescope's skilled teams strive to provide the best customer service, the fastest delivery, and the best quality products. They are considered a leader in the casual furniture industry.

Telescope has remained a remarkably successful family-owned business; it is currently managed by the fourth and fifth generations, and headed by Kathy Juckett. More than 300 employees maintain a close working relationship with the Vanderminden family and management team. Much of Telescope's success is owed to the talented workforce, who take pride in their craftsmanship, and the professional sales force, who work tirelessly to ensure every customer's expectations are exceeded by their Telescope experience.
