- Aluminum construction is lightweight, durable, and rust proof for maximum outdoor protection
- Available in access door with tank slide-out tray

- Adjustable levelling feet for comfortable dining
- Firetable Output: 75,000 BTU
- Made in the USA

Warranty

Stoll Industries' warranty covers manufacturing defects; normal wear and tear is not included. With a little bit of care, your furniture will outlive the warranty for many years.

- Frame: Stoll Industries warrants the structure and meal/aluminum materials to be free from defects in materials and/or workmanship for a period of five (5) years
- Finish: Stoll Industries warrants the applied finish for a period of three (3) years

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.

About the Manufacturer

Stoll Industries, originally known as Stoll Fireplace Inc., has evolved from a small, local ornamental iron fabricator into a nationwide provider of high-quality metal products for homes, including fireplaces, shelves, wall systems, range hoods, cabinetry, and more.

Guided by Christian values, the company is committed to excellence, innovation, and long-term relationships. Their vision is to enhance living, working, and playing spaces with quality products.
