The 3 Pc. Tuscanna Bistro Set (SO-2013) by Source Outdoor features understated curves and a rich espresso wicker that gives this set a great modern look. The high density polyethylene (HDPE) wicker is UV treated to prevent chipping or fading color. The cushions are covered in an off-white, outdoor grade polyester. The cushions are also available in Sunbrella® with an extensive range of colors, inviting you to pick the style that you want. Between the wicker and the cushions, this bistro set has great looks that will last. The commercial grade construction also makes this a great set for home and business owners looking to get a lot of use out of their bistro set. With such quality and style options, it is hard to imagine a better bistro set to add to your patio area.
