Description

The Tahiti Club Chair (SO-2011-101) by Source Outdoor will have you relaxing in style and comfort with its great modern design and broad cushioned seat. The modern design is achieved through its smooth curves and tightly woven wicker surfaces. This lounge chair features commercial grade construction, making it well suited for both homes and businesses that want long lasting outdoor furniture. The wicker has color that will last because it is made from high density polyethylene, which will not peel, chip or fade. The cushions are covered in an off-white, outdoor grade polyester. The cushions are also available in a wide range of Sunbrella® fabric colors, making it easy to decorate your patio area.
