Description

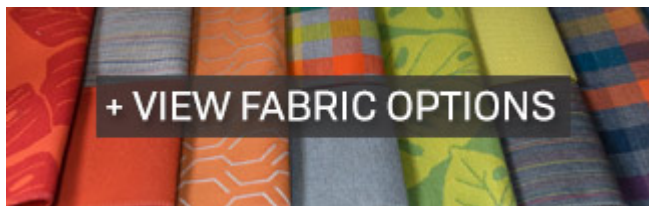

The St Tropez Club Chair (SO-2003-101) by Source Outdoor is a great chair to sit outside and enjoy either a book, a drink, or simply some company. The clean lines, curved armrests and subtle angles give the lounge chair a modern look with personality. The cushions are covered in an off-white, outdoor grade polyester. The cushions are also available in several different Sunbrella® fabric styles, making it easy to find a look that is right for your patio. The commercial grade construction of this chair makes it an excellent choice for homes and businesses that require durable patio furniture. The wicker is even made of a UV treated resin, so it will not lose color from fading, peeling or chipping.
