Description

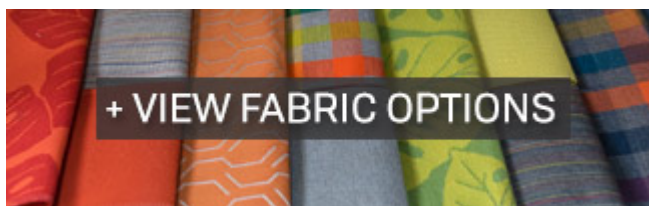

The St Tropez Loveseat (SO-2003-102) by Source Outdoor has a low profile and a lot of style with its clean lines, arched armrests and angled back. The modern design is further enhanced by the flat woven wicker, which is made of high density polyethylene that will not lose its color from chipping, peeling or fading. The loveseat's commercial grade construction makes it a great choice for homes and businesses looking to get a lot out of their outdoor furniture. The cushions are covered in an off-white, outdoor grade polyester. The cushions are also available in a huge selection of Sunbrella® fabric colors, making this loveseat easy to match to your existing patio decor, or easy to create a new look for your patio.
