Description

The Circa Round Coffee Table (SO-2006-321) by Source Outdoor is a blend of modern style and quality construction, making it a great addition to your outdoor seating set. Its simple design, glass top and flat woven, espresso color wicker give it a great modern look. With its commercial grade construction, this table works great for homes and businesses that want long lasting outdoor furniture. Its wicker is also made from a UV treated resin, which is designed not to chip, peel or fade from sunlight.

Commercial Grade Construction Dura-Weave resin wicker (made of HDPE) is resistant to weather factors that would normally take its toll on natural wicker. Laboratory tested to withstand more than 3000 hours of direct UV light exposure with no visible changes. Extra-thick aluminum frames are designed to commercial specifications from hotels and resorts to the cautiously optimistic homeowner. The aluminum frames are fully welded and powder coated with a 10 step process to help with the fight against rust and corrosion from exposure to the elements. Furniture arrives fully assembled - just throw the cushions on and enjoy!

Care and Maintenance Tips This product requires minimal regular care. For every month of exposure, take a warm rag with warm water and wipe down the wicker. Cushions have zippered covers that can be washed. If you plan to go several months without use, or wish to maximize the lifetime of your product, then you will want to invest in some patio furniture covers. Although this product is extremely weather resistant, adding furniture covers will always extend its lifetime compared to not covering it.
