## Description

With its basketweave design and multiple functions, the Laurite Fire Pit brings versatility, function, and style to any outdoor space it is placed in. Made from a cast aluminum with a powder coated finish, the Laurite is made to be durable and weather resistant so that it will look beautiful even in years of use. Use the iron bowl for creating a warm fireplace for cool evenings outside, or insert the center disc for a beautiful chat table during the day. For entertaining occasions, insert the beverage cooler insert for a chat table that offers a convenient place to chill you and your guests' drinks!

**Includes:** fire pit and fire pit accessory kit (iron fire bowl, spark screen, wood grate, cast aluminum collar, fire poker, and beverage cooler bowl)
