Short Description

The Carnelian Fire Pit is made with a flourishing look that is both classic and modern.

Description

The Bellagio 48" Rd. Cast Aluminum Gas Fire Pit/ Chat Table with burner kit (55-1306) by Alfresco Home is made with a flourishing look that is both classic and modern. With a frame made entirely from cast aluminum, the Bellagio features a Blacksmith Gray powder-coated finish designed to withstand any weather, while providing your outdoor space with a versatile piece. This fire pit runs on a propane tank to provide a remarkable 40,000 BTU of thermal energy to warm up your outdoor space during those chilly nights. A center disc is included to cover the fire pit when it isn't in use, transforming into a chat table, perfect for daytime use!

Includes

- Bellagio 48" Propane Gas Fire Pit
- Round Gas Burner Component Kit
- Complete propane gas hook up, can not convert to natural gas
