Description

The 6 Pc. Hampton Radius Sectional Set (FP-HAMR-6SEC) by Forever Patio comfortably seats 6 to 7 adults, and conveniently includes an ottoman and contouring end tables that accent the 3 curved loveseats. The set features Biscuit or Heather wicker, which is made from High-Density Polyethylene (HDPE) for outdoor use. Every strand of this wicker is infused with its rich color and UV-inhibitors that prevent cracking, chipping and fading ordinarily caused by sunlight. Each piece features a thick-gauged, powder-coated aluminum frame that makes the set extremely durable and resistant to corrosion. Also included with the set are cushions covered in fade- and mildew-resistant Sunbrella® fabric, available in a wide selection of colors. Cushion Colors and Options We use only the best fabrics when it comes to our outdoor products! This is why we have chosen to use Sunbrella® on this Hampton set. All Hampton cushions are made to order, so we give you the option to select from any of our large selection of stock Sunbrella® fabrics. Plus all Hampton cushions come with free welting (also called piping) around the edge of the cushions for added style and durability. Though most of our customers choose to have the same fabric on the welt/piping as on the cushions themselves, we give you the option to choose any welt/piping that you desire for a customized look.
