Description

The 7 Pc. Hampton Square Dining Set (FP-HAM-7SQDN) by Forever Patio is perfect for taking in fresh air while enjoying a meal with friends. The set seats 8 adults comfortably, and includes 4 dining chairs, 2 dining benches and a dining table with a glass top. This set features Chocolate wicker, which is made from High-Density Polyethylene (HDPE) for outdoor use. Every strand of this wicker is infused with the rich color and UV-inhibitors that prevent cracking, chipping and fading ordinarily caused by sunlight. The set is supported by thick-gauged, powder-coated aluminum frames that make it extremely durable and resistant to corrosion. Also included are cushions covered in fade- and mildew-resistant Sunbrella® fabric, available in a wide selection of colors. The elegance of this set combined with its high quality materials will make your outdoor area a hub for unwinding while dining.

Cushion Colors and Options We use only the best fabrics when it comes to our outdoor products! This is why we have chosen to use Sunbrella® on this Hampton set. All Hampton cushions are made to order, so we give you the option to select from any of our large selection of stock Sunbrella® fabrics. Plus all Hampton cushions come with free welting (also called piping) around the edge of the cushions for added style and durability. Though most of our customers choose to have the same fabric on the welt/piping as on the cushions themselves, we give you the option to choose any welt/piping that you desire for a customized look.

Optional Furniture Covers Furniture covers are a great way to keep your patio sets looking their bests and to make the quality construction of Forever Patio products last even longer. These covers are made from weatherproof vinyl, which is vented to prevent moisture build-up and mildew. They also include tie strings to keep your cover in place. Protecting your patio set has never been simpler!
