Cushion Colors and Options We use only the best fabrics when it comes to our outdoor products! This is why we have chosen to use Sunbrella® on this Capistrano set. All Capistrano cushions are made to order, so we give you the option to select from any of our large selection of stock Sunbrella® fabrics. Plus all Capistrano cushions come with free welting (also called piping) around the edge of the cushions for added style and durability. Though most of our customers choose to have the same fabric on the welt/piping as on the cushions themselves, we give you the option to choose any welt/piping that you desire for a customized look.

Optional Furniture Covers Furniture covers are a great way to keep your patio sets looking their bests and to make the quality construction of Forever Patio products last even longer. These covers are made from weatherproof vinyl, which is vented to prevent moisture build-up and mildew. They also include tie strings to keep your cover in place. Protecting your patio set has never been simpler!
