## **Short Description**

The Original Dream Chair by Vivere Hammocks provides the ultimate experience in outdoor relaxation.

## Description

The Original Dream Chair by Vivere Hammocks provides the ultimate experience in outdoor relaxation. The plush cushions feature a 2 inch thick layer of foam that is wrapped with spun polyester fabric, available in your choice of four color options. Use the menu bar above to select a fabric. For even more comfort and head support, there is an attached pillow included. The most unique part of this piece is the attached umbrella, giving you the option to enjoy shade while you relax outdoors. The powder coated steel frame features four legs with rubber feet to create a stable seating unit.
