Short Description

Acapulco Dining Chair HL-ACA-DSC by Harmonia Living

Description

The Acapulco Dining Chair (HL-ACA-DSC) by Harmonia Living blends mid-century design with modern funk to create a new standard of comfort and style for your patio. The collection is inspired by woven furniture that was incredibly popular in Central America in the 1950s and '60s, creating seating that is supportive and breathable. This makes the Acapulco Dining Chair ideal for outdoor dining, even in the warmest climates. Beyond its comfortable design, the chair is constructed with a powder-coated steel frame, making it incredibly durable and weather-resistant. The frame is wrapped in a supportive Polyethylene cord, giving the collection its distinctive look.

Care and Maintenance

Frame: Simply hose off or wipe down your frame to clean it! Avoid using harsh cleaners, brushes, or power washers, which could damage the finish. Take extra care when placing your furniture in humid or coastal settings; accumulation of salts and other debris can cause damage to your frame.

Covers & Storage: When not in use, we recommend using a protective cover with your furniture. During harsh weather and extreme temperatures, we recommend storing the cushions in a shed or garage and covering the frames with protective covers. If you store the frames indoors during the winter, avoid storing them upside down, which can trap moisture.
