## Description

The Hickory Oval and Rectangular Table and Chair Covers from Classic Accessories are made from durable Weather10 material featuring a rugged fabric outer layer with a laminated waterproof and wipe-clean inside coating. The cover features a handsome Weather Leather trim that looks authentic but will not rot. Large air vents reduce mold and mildew-causing moisture while preventing wind-lofting. Click-close straps secure your cover on windy days and an adjustable elastic hem cord ensures a tight and custom fit. Padded handles make putting on and removing your cover easy and comfortable. Medium covers table and chair sets up to: 88"L x 58"W x 23"H, Large: 108"L x 82"W x 23"H and X-Large: 128"L x 88"W x 23"H, but is not designed to entirely cover the bottom of the furniture legs. This cover comes with a limited lifetime warranty.
