This furniture fits in perfectly among classical settings, but its simple yet strong lines look equally robust with contemporary specifications. Pairing perfectly with Seasonal Living® vases and ceramics, the Spirals Teak collection's clean lines, neutral wood tones and muted charcoal grey Sunbrella® fabrics are elegantly sophisticated on their own, as well as versatile enough to allow you to layer colors, textures and additional accouterments to create your own defined look.

About the Manufacturer

Having lived in Kenya, Spain, France, Hong Kong, Singapore, Indonesia, and the United Kingdom while working in the financial, marketing and international hospitality trades, Seasonal Living founders were exposed to a myriad of unique in and outdoor living experiences. Inspired by these experiences, they noticed that beautiful, decorative accessories and furnishings were either too expensive or too limited in scope. They saw a market for comfortable, special in and outdoor living accessories that were fresh and affordable. By focusing on functional works of art that blur the line between indoor and outdoor furnishings, Seasonal Living has become the one-stop resource for retailers, landscape architects, spa planners, interior designers, property developers, and the like looking for unique and unusual product lines.
