Short Description

DISC Miami 2 Pc. Club Chair Set ISP850

Description

The Miami 2 Pc. Club Chair Set (ISP850-X) by compamia is made from wickerlook resin with a beautiful modern appeal. This chair is weather resistant and is reinforced with glass fiber. The natural looking resin wicker is designed to be an unwoven one piece furniture with the appeal of traditional woven wicker. There are no metal or moving parts, giving it a durability fit for even commercial, high traffic environments. The chairs easily stack for convenience and is UV treated for fade resistance.
