OVAL/RECTANGLE/SQUARE TABLE & CHAIRS

For oval/rectangle/square table & chair covers, measure width, depth and height (measurements should include chairs – as close to the table as possible).

Width is measured from end to end across short side of the table including chairs back (the widest point).

Depth (Length) is measured from end to end across long side of the table, including chairs.

Height is measured from the ground to the highest point, usually to the chairs back.

Oval, Rectangle, Square Table & Chairs
