Short Description

The Genoa Outdoor Concrete Dining Table is a beautifully designed constant that will recreate the look of your outdoor space. Perfect for indoors or outdoors use, this handmade, lightweight concrete table was designed with an innovative approach that softens the appearance of concrete with natural sands, giving your outdoor space a sophisticated, personalized appeal. The bases can be arranged in three different positions to not only balance the table effortlessly, but can give your table its own design. It is available in Slate Gray or Ivory White. Match this table with any outdoor dining chairs to give your outdoor space a truly unique look.

About the Handmade Concrete This piece is crafted from handmade concrete. This means that no two individual pieces are exactly alike. The raw materials are made from Portland cement, sand, crushed granite, natural spring-fed water, and ramie, a special coarse, fibrous grass that's used for reinforcement. This

material is weather resistant and suitable for both indoor and outdoor use.
