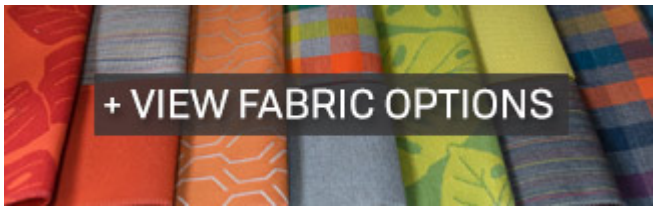
Quick Ship Fabric Information We stock this set in Sunbrella® Canvas Flax (5492-0000) with Canvas Flax (5492-0000) piping and Spectrum Mist (48020-0000) with Spectrum Mist (48020-0000) piping for customers who want this set fast. Customers who order our Quick Ship option will receive their orders in approximately 1-2 weeks. All other configurations will take 4-6 weeks to arrive. Throw pillows are not included.

Sunbrella Fabric Information The technique that Sunbrella uses to dye their fabrics has made them a marine sport standard for fabrics. The high quality dyes that Sunbrella uses will penetrate even the thickest of fabrics straight to their core, giving you years of lasting, vibrant colors. Sunbrella's commitment to their brand really shows with their 5-year warranty on any Sunbrella fabric, so rest assured: your cushions will like new years from now.



Shipping Information All our shipping times are quoted from the day your order is processed. The majority of our orders are processed within 1-2 business days of the day you place your order. With the Quick Ship (QS) fabric option selected, your patio set will be delivered within 7 to 10 business days that your order is processed. If you select a custom fabric option for your order, we quote a 4-6 week shipping window because we make each custom fabric to order, and all cushions are inspected for quality assurance before shipping.

Care and Maintenance Tips If you happen to live near the coast, once every 2 months of uncovered exposure, wipe down the aluminum frames underneath as a build-up of salt on the frames may, over time, affect the finish. For fabric care, both we and Sunbrella recommend that the cushion fabric be cleaned on a regular basis to prevent both dirt build-up and/or mildew formation. With these simple instructions, your patio set will look as good as new for many seasons to come.
