This innovative Right Arm Section Furniture Cover CP301 by Treasure Garden offers a uniquely designed way of protecting your outdoor furniture, no matter what kind of sectional set it is. Featuring an innovative zipper design, this series of covers allows you to join multiple covers together so that it can fit virtually any type of sectional. Water resistant zippers on the side panel seams can be removed so that another sectional cover can be added with a quick zip of a zipper. They are all interchangeable and can be zipped together to create one complete unit.

For larger individual section pieces, see Section Extension Outdoor Cover in related products to extend this cover to fit your piece.
