## Description

---

The Solano Series Fire Pits by California Outdoor Concepts are designed for timeless elegance, value and beauty. The scrolled legs build a sturdy base and rings of Chocolate Brown or Black wrought Aluminum hold the solid granite top in place. Any of the multiple table top styles are the perfect topper to your fire pit table in either the 23 inch chat height, 29 inch dining height or 42 inch bar height. Just sit back with your favorite drink and enjoy the warm embrace of these outdoor firepits.
