Features

- High-Density Polyethylene (HDPE) all-weather wicker is infused with UV inhibitors that prevent fading and cracking ordinarily caused by sunlight.
- Full-round wicker design gives it a more tactile, luxurious texture and look.
- Thick-gauged, powder-coated aluminum frame offers long lasting durability and rust resistance.
- Sunbrella® cushion covers provide unmatched fade, moisture and mildew resistance, and can be easily

unzipped for cleaning.

- Plush, overstuffed cushions are made from quick-drying polyurethane foam wrapped in moisture and mildew-eliminating Dacron fibers.
- Every North Cape International cushion is sewn with durable Tenara® thread, which is unaffected by weather and normal wear, making these cushions outlast the competition. See more of the [benefits of using Tenara® thread!](#)
- Full-sized design provides deep, comfortable seating. Compare dimensions to lesser brands to see the difference!
- Removable suspension seating provides additional comfort and easy maintenance.
- Designed to match the entire Cambria Collection by North Cape International.

Cushion Colors and Options We use only the best fabrics when it comes to our outdoor products! This is why we have chosen to use Sunbrella® on this North Cape International (NCI) set. All NCI cushions are made to order, so we give you the option to select from any of our large selection of stock Sunbrella® fabrics. All NCI cushions can be made with welting (also called piping) around the edge of the cushions for added style and durability. Though most of our customers choose to have the same fabric on the welt/piping as on the cushions themselves, we give you the option to choose any welt/piping that you desire for a customized look.

Quick Ship Cushions We stock this collection in a selection of pre-made cushions. Quick Ship cushion orders are typically delivered 2-3 weeks from the time of your order as opposed to the 4-6 weeks for standard Custom cushions. The Quick Ship cushions do not have welting/piping.
