Description

Inspired by vintage French Country design interpreted in all-weather HDPE resin wicker, the Geneva 4 Pc. Sofa Set by North Cape International is perfectly proportioned for smaller spaces. The three seat sofa and two seat loveseat can be placed across from each other, for a cozy conversation space or corner-to-corner to create an open and welcoming gathering place. Teak coffee and end tables lend mixed-media appeal, while a rich Malabar weave in tones of warm gray sets the stage for an enchanting outdoor space. Cushion Colors and Options We use only the best fabrics when it comes to our outdoor products! This is why we have chosen to use Sunbrella® on this North Cape International (NCI) set. All NCI cushions are made to order, so we give you the option to select from any of our large selection of stock Sunbrella® fabrics. All NCI cushions can be made with welting (also called piping) around the edge of the cushions for added style and durability. Though most of our customers choose to have the same fabric on the welt/piping as on the cushions themselves, we give you the option to choose any welt/piping that you desire for a customized look.

Quick Ship Cushions We stock this collection in a selection of pre-made cushions. Quick Ship cushion orders are typically delivered 2-3 weeks from the time of your order as opposed to the 4-6 weeks for standard Custom cushions. The Quick Ship cushions do not have welting/piping.
