Short Description

DISC 7 Pc. Artemis Dining Set ISP1862S

Description

The 7 Pc. Artemis Dining Set (ISP1862S) by compamia. Features a commercial grade resin that is perfect for outdoor dining areas in restaurants, bistros, or any other commercial space. The commercial grade resin gives this set a durability and sturdiness that was designed to withstand heavy traffic and any sort of weather conditions. The resin is UV treated so the color will not fade and is 100% resistant to sun, snow, sustain oils, chlorine or salt. The table has levelers for uneven surfaces, while the chairs are easily stackable for convenient storage.
