Short Description

If you are looking for luxury, the Montecito 3 Piece Dining Set is a slab of concrete excellence. Built with industrial material, this table has a bold, modern appeal that will look good in any modern-minded designer's

backyard. While the table is a work of art, the handcrafted stools bring back the punctuation that will turn "wow" into "WOW!" and have several different color combinations to choose from.

Description

If you are looking for luxury, the Montecito 3 Piece Dining Set is a slab of concrete excellence. Built with industrial material, this table has a bold, modern appeal that will look good in any modern-minded designer's backyard. While the table is a work of art, the handcrafted stools bring back the punctuation that will turn "wow" into "WOW!" and have several different color combinations to choose from.

The table and two stools are included in this purchase, with the option of removing or adding two additional stools. Add two stools to turn it into a smaller, five piece dining set - or take away the two stools and have an interesting concrete table that can potentially belong anywhere. If you select the stool color option "Mix-n-Match" when purchasing, we will contact you personally and verify the stool colors you are looking for. Otherwise select the color option of your choice, and we will send it to you straight away!

Set includes one (1) dining table and two (2) stools. Color options and additional seating are available from the drop-down menus.

Dimensions

- Table: 40"W x 40"D x 30"H (157 lbs.)
- Table Top: 40"W x 40"D x 4"H (102 lbs.)
- Base: 16"W x 16"D x 30"H (56 lbs.)
- Stool: 15"W x 15"D x 19"H

Features

- Crafted with light-weight concrete and natural sands
- Available in either gray or ivory white
- Two bi-color stools included in purchase
- Optional multi-colored vibrant stools for seating
- Table weighs 120 pounds and stools weigh 52 pounds each
- Two-year limited warranty which covers any manufacturing defects and quality issues.

Product Care Information When your product is delivered, to protect them we recommend that you seal the concrete with a stone floor wax sealer (for example, Johnson's Floor Wax). Do not be afraid to apply liberally to the surface of your table and chairs, especially your first time. If you do this 3-4 times per year, or about once a month during heavy use, your table will sparkle and shine like new for years to come. Harsh winters are a reality for most folks, and if you anticipate heavy rain, we also recommend a professional grade furniture cover for all your items. Feel free to give us a call if you have any further questions about product care and we'd be happy to point you in the right direction.
