Short Description

Set Includes: one (1) dining table and four (4) stools. Color options and additional seating are available from the drop-down menus.

Description

The Guttenberg Dining Set is a one of a kind outdoor dining experience that will captivate any and all of your guests and family. Crafted with grade 304 stainless steel and lightweight concrete, this table and the vibrant matching stools that ship with this table bring with it a post-modern art experience like no other.

Four stools are included in this purchase, with the option of adding two additional stools. If you select the stool color option "Mix-n-Match" when purchasing, we will contact you personally and verify the stool colors you are looking for. Otherwise select the stool color option of your choice, and we will send it to you straight away! We also include an option to remove the stools from this order and only ship the table.

Set Includes: one (1) dining table and four (4) stools. Color options and additional seating are available from the drop-down menus.

Product Care Information When your Guttenberg Dining Set is delivered, to protect them we recommend that you seal the concrete with a stone floor wax sealer (for example, Johnson's Floor Wax). Don't be afraid to apply liberally to the surface of your table and chairs, especially your first time. If you do this 3-4 times per year, or about once a month during heavy use, your table will sparkle and shine like new for years to come. Harsh winters are a reality for most folks, and if you anticipate heavy rain, we also recommend a professional grade furniture cover for all your items. Feel free to give us a call if you have any further questions about product care and we'd be happy to point you in the right direction.
